1 Purpose

To outline Gliding Australia's policy in relation to reaching a prompt and fair resolution of any disputes, conflicts, or disagreements that may arise from time to time, and that may threaten the functioning of the Board.

2 Scope

This policy refers to disputes:

- Between Board Members and Executive acting in their Board Role;
- By a Board Member or Executive regarding a board policy, process or procedure; and
- By a Board Member or Executive regarding a resolution of the board.

3 Roles and Responsibilities

The Chair is responsible to ensure that:

- Board members are aware of this policy;
- Disputes are handled respectfully, confidentially, and in accordance with natural justice.

4 Policy Statement

The Gliding Federation of Australia Board encourages Board Members to resolve any issues or concerns that they may have at the earliest opportunity.

It is important that as issues do arise, they are dealt with in a fair and timely manner. While some conflicts will be resolved by an informal discussion between the parties, others will need a process for successful resolution.

Procedures for dealing with board disputes are set out Section 5 of this policy.

Dispute resolution principles

The board has endorsed the following principles for board members to follow:

- Respect for another's point of view;
- Commitment to resolving the issue;
- Willingness to compromise;
- Confidentiality;
- Impartiality;
- Respect;
- Prompt action;
- Freedom from repercussions; and
- Declaring conflicts of interest

5 Dispute Resolution Procedure

5.1 Procedure

- a) The dispute must be set out in writing and sent to the President. They must acknowledge receipt of this document within two days.
- b) The President will use their discretion to bring the issue to the next Board Meeting or call an extraordinary meeting.
- c) When raised at the Board Meeting, all people involved in the dispute will be given the right to speak.
- d) The matter should be discussed with all Board members present, unless they have advised the President, preferably in writing, that they are aware there is a Dispute Resolution Meeting being held and they are unable to attend.

- e) The President will call for a motion from the Board, e.g. to appoint an independent assessor, to seek mediation, to call a special general meeting, or to dismiss the complaint. All board members present at the meeting will vote on the motion.

A Board decision may be reviewed in situations where:

1. New information has emerged that was not available when the original decision was made.
2. The Board has become aware of an error in previous information that was used to make the decision.
3. A Board member did not feel able to present his or her case at the time the board made its decision.

5.2 Mediation

1. Where mediation is sought, the mediator must be:
 - a. a person chosen by agreement between the parties; or
 - b. in the absence of agreement, a person appointed by the Board.
2. A member of the Board can be a mediator but may not be a member who is a party to the dispute.
3. The parties to the dispute must, in good faith, attempt to settle the dispute by mediation.
4. The mediator, in conducting the mediation, must:
 - a. give the parties to the mediation process every opportunity to be heard; and
 - b. allow due consideration by all parties of any written statement submitted by any party; and
 - c. ensure that natural justice is accorded to the parties to the dispute throughout the mediation process.
5. The mediator must not determine the dispute.
6. The mediation must be confidential and without prejudice.
7. If the mediation process does not result in the dispute being resolved, the parties may seek to resolve the dispute otherwise in the Board via the GFA complaints processes or at law.
