1. MEMBERSHIP AND TERM

The Articles of Association provides for a minimum of 8 Board members (so that a quorum can be formed to transact business at meetings).

The Board consists only of volunteers, ie., no member of the Board may be a member of the paid staff of the organization.

Board Members are free from any interest and any business or other relationship which could, or could reasonably be perceived to, materially interfere with the Board member's ability to act in the best interests of the organization. If there is a Conflict of Interest, this must be declared to the Board (refer to the Conflict of Interest Policy ADMIN0025).

Membership of the Board shall be disclosed in an annual report.

The Board has adopted a tenure policy, and according to the GFA Articles of Association, each Board member may hold their Board position for no longer than 5 years.

2. BOARD/ EO Relationship

The roles of the President and Executive Officer are strictly separated. Similarly, the roles of the Chair of the Operations Panel and the Chair of the Airworthiness Panel are separated from the EMO and CTO.

The EO is responsible for:

- the efficient and effective administrative operation of the organization
- bringing material and other relevant matters to the attention of the Board in an accurate and timely manner.
- Taking direction from the Board

The EMO and CTO are responsible for:

- the efficient and effective operation of the organization (Operations and Airworthiness respectively)
- bringing material and other relevant matters to the attention of the Board in an accurate and timely manner.
- taking direction from the Board on policy matters

The EO, EMO and CTO are not members of the Board.

3. BOARD CULTURE

The Board actively seeks to have an 'engaged culture' which is characterised by candour and a willingness to challenge. The following table is used to provide evidence of an engaged culture [reference: *Increasing Director Performance* (Australian Company Director, Vol 20 No 8 2004)]:

Agendas

- The agendas of the Board limit presentation time and maximise discussion time.
- Provide plenty of opportunities for informal interactions among Board members.

Norms

- Board members are honest yet constructive.
- Members are ready to ask questions and willing to challenge leadership.
- Members actively seek out other members' views and contributions.
- Members spend appropriate time on important issues.

Beliefs

- "If I don't come prepared, I will be embarrassed."
- "If I don't actively participate, I won't be fulfilling my responsibility."
- "I'll earn the respect of fellow Board members by making valuable contributions and taking responsibility for what I do."
- "If I can't carry my load, or if I can't agree with what's going on, I should resign."

Values

- The Board serves the gliding community by actively participating in governance.
- The Board is responsible to various stakeholders.
- Board members are personally accountable for what goes in the sport.
- The Board is responsible for maintaining the Gliding Australia's stature in Sport Aviation.
- Board members respect each other.

4. REPORTING

Proceedings of all meetings are minuted and draft minutes are circulated within 5 days to all Board members for comment.

Minutes of all Board meetings are circulated and approved by the Board at the subsequent meeting.

Resolutions are first put to the Board in draft form (as a "Board or Position Paper") and, once passed, are recorded in a Resolutions Register.

Discussion and decisions made electronically via email shall be documented and added to the following minutes as "out of meeting decisions". These decisions shall also demonstrate majority decision.

5. REVIEW OF CHARTER

The Board will review this charter annually to ensure it remains consistent with the Board's objectives and responsibilities. It is suggested this is done shortly after the election of the new Board nominally September each year.

6. PUBLICATION OF THE CHARTER

Key features of the charter are to be outlined in the organisation's Annual Report.
A copy of the charter is available on the Gliding Australia Website.
