

Certificate of Airworthiness

Amateur Built Aircraft - Eligibility Statement

CASR 21.191(g)

Purpose of this form

Use this form to declare an aircraft is eligible for an experimental certificate as an Amateur Built aircraft.

Who is this form for?

This form is for a person or persons who have fabricated and assembled the major portion of the aircraft and undertook the construction project solely for their own education or recreation purposes.

Information needed to complete this form

You will need to attach the identity and contact information of any additional builders involved in the construction of the aircraft. Information regarding the aircraft, aircraft engines and propellers must also be provided.

We recommend using Adobe Acrobat to complete this form to ensure your information is saved correctly

Filling in this form

This form can be completed as a **fillable form**:

- Adobe Reader is available free of charge from the [Adobe website](#)
- use 'tab' or 'mouse click' to navigate through the form

If **printing** this form:

- use black or blue pen and print in BLOCK LETTERS
- mark check boxes with a ✓ or a ✕

Aviation Reference Number (ARN)

An ARN is an identifier that is similar to an account or customer number. You will need an ARN to complete this form.

If you do not have an ARN, [apply for an ARN](#).

Contact details

CASA will use the currently held contact details linked to your ARN profile.

If your address, contact or other details have changed, you must update them online using [changing your details](#) prior to lodging this form.

Failure to provide up to date contact details to CASA could result in additional fees being charged under the Civil Aviation (Fees) Regulations 1995 and may constitute a criminal offence.

Privacy

Any personal information you provide to CASA is protected by the Privacy Act 1988 (Cth). CASA can only collect, use and disclose that information in accordance with that Act.

CASA will use the information collected in this form for purposes associated with performing its functions under civil aviation legislation and other Australian laws.

For full details on how CASA collects, protects and uses personal information, please refer to [CASA Privacy Policy](#).

For more information

Go to the [CASA website](#) or call us on 131 757.

Builder Information

1 What are the **builder details**?

If your address, contact or other details have changed, you must update them using [changing your details](#).

Declaration

4 I/We declare that:

- The major portion of the aircraft identified in question 2 was fabricated and assembled by the signatories of this declaration who undertook the construction project solely for their own education or recreation.
- Records to support this statement will be available to CASA or an Authorised Person upon request.
- I acknowledge that the information will be deemed part of the basis for the issue of a CASA certificate.
- All statements in this notice are true and correct in every particular and that I have read and understood all provisions of the Civil Aviation Safety Regulations 1998 which are relevant to this notice.
- I understand CASA will use the currently held details to process this notice and it is my responsibility to ensure my details are correct prior to lodgment.
- I consent to CASA using and disclosing my personal information in accordance with [CASA Privacy Policy](#) including exchanging the information with Commonwealth, State and Territory government agencies.
- I acknowledge that to knowingly make a false or misleading statement in this notice is an offence against the [Criminal Code Act 1995 \(Cth\)](#).
